

# AVICAP®

## LIQUID NUTRITIONAL SUPPLEMENT FOR POULTRY

### COMPOSITION

Phosphoric Acid, Calcium Chloride, Magnesium Chloride, Monosodium Phosphate, Iron Chloride, Manganese Chloride, Zinc Chloride, Copper Chloride, Sodium Selenite, Cobalt Chloride.

### LEGAL GUARANTEE PER LITRE

Phosphorus	100 000 mg	Zinc	2 500 mg
Calcium	50 000 mg	Iron	2 500 mg
Magnesium	10 000 mg	Copper	500 mg
Sodium	10 000 mg	Cobalt	25 mg
Manganese	2 500 mg	Selenium	50 mg

### TECHNICAL INTEREST

**AVICAP®** is a concentrated supplement of minerals and trace-elements necessary for the good development of poultry (broilers, layers, ducks, turkeys ...)

**AVICAP®** brings an optimum ratio of calcium/phosphorus to support the bones formation for both layers and broilers and limits the risk of splay legs, osteoporosis, femoral head necrosis... The important calcium level brought by **AVICAP®** allows a better solidity of the egg shell : a critical issue for farmers during the laying stage.

With its high content of trace-elements, **AVICAP®** support the growth and general health status of poultry during the peak of production, avoiding deficiencies linked to the lack of those trace-elements, improving the recovering status after treatment and the immunity of the animal, increasing reproduction performances.

### DIRECTIONS FOR USE

Mix **AVICAP®** in the drinking water at the following concentration and recommended dosage:

- Broilers : 1 litre in 1000 litres of water 5 days from day 7<sup>th</sup> to day 12<sup>th</sup>, a 2<sup>nd</sup> application is suggested from day 21<sup>st</sup> for 3 to 5 days.
- Layers : 1 litre in 1000 litres of water during the 1st week of laying during 3 to 5 days, renew the application during the week of the laying peak and also during the last month of laying.
- After vaccination : 1 litre in 1000 litres of water during 3 days.

**PACKAGING : 1, 5, 20 litres**

### SHELF LIFE

24 months after date of manufacturing.

### OTHER INDICATIONS

Storage in a cool, dry and dark place  
Close well the bottle, in a hermetic way, after usage.
